## ENDietS impact and activities

- The 2<sup>nd</sup> webinar of ENDietS took place on 21<sup>st</sup> of May with the participation of people from 12 different countries! During the webinar, the attendees had the opportunity to raise their questions and received an answer in real time by the presenters.

The topics of this webinar were:

- ✓ A presentation from our conference anchor, Evangelia, about the EFAD Conference in Amsterdam on 23-24 October and
- ✓ A poster presentation from Ursula (Plymouth University, UK) with the title: The Effect of Intradialytic Parenteral Nutrition (IDPN) on Mortality.

You can find the recordings of all our webinars at [ENDietS website](#).

- ENDietS participated with an exhibition stand at the german speaking conference NUTRITION 2015 in Bregenz (28-30 May 2015). You can see interesting fotos from this event on ENDietS facebook page
- You can watch now the presentations from the last year's 8th DIETS-EFAD Conference in Athens [here](#)!
