We would like to welcome many students from different countries and get together in the **World Trade Center, Rotterdam, The Netherlands.**

The *ENDietS* Team\*

\*The European Network of Dietetic Students (ENDietS) is a network created and led by students of Nutrition and Dietetics from all over Europe. ENDietS is internationally focused and clearly embedded within the **European Federation of the Associations of Dietitians (EFAD)** that represents the interests of all European dietitians and promotes the development of the dietetic profession.
