

Dear colleague,  
Dear partner,

We are writing you to inform you that the dates of the **International days 2019-2020 of Thomas More University College, Belgium**, have been set. Our international days are a Thomas More wide event for all faculties and campuses during which we try to bring together our partners. **We will be happy to welcome you from 9-13 March 2020 to share your expertise with us.**

You are welcome to teach our students and colleagues in your own field of expertise. We will send out a more detailed invitation soon but we hope you can already save the date!

Activities during this international week entail:

- Joint programme on Wednesday 20 March for all fields and partners
- Lessons and workshops from guest lecturers for our students
- Lessons and workshops from guest teachers for our staff
- Job shadowing and workshops for administrative staff
- Comparison of curricula
- Company visits and activities with partners from the professional field
- Agreements about mobilities IN and OUT
- Speed dating between students and exchange partners
- Working on project proposals
- Arranging joint lesson activities (eg. short mobilities - online lesson activities)
- ...

Participation is possible in the framework of ERASMUS+ teacher/staff mobility. We look forward to warmly welcome old friends and new acquaintances!

***It would be great if you can join us ! If you are interested, can you let me know please?
